

REDUCE

Your Heating
Fuel Bills 10-20%
with Beckett
HeatManager™

*For Boilers up to
300,000 Btu*

- Guaranteed to reduce heating fuel consumption 10-20%
- Works with any heating fuel
- Short payback period—typically 12-24 months
- Increased savings without replacing or upgrading costly system components
- Reduces burner maintenance and extends boiler life
- Fail-safe operation
- 5-year replacement warranty

Beckett
Heat **MANAGER™**

Oil, Gas or Propane...
